

# ENVISION YOUR REOPEN

With employees and visitors re-entering the mix, keep everyone safe.

# PREPARE FOR THE “NEW WORLD”

Preparing your team to return to the workplace will be one of the most important steps as we enter the "New World." We find most companies and state/local governments will mandate **"Social Distancing"** as well as having proper signage in your workspace to protect all employees as well as visitors.

We are helping businesses prepare themselves with proper window, desk, floor, bathroom, elevator, and all essential business signage to fight the spread of COVID-19 to protect all.

*Branded versions which include company logo and custom messaging are available upon request. Our team is happy to discuss any additional materials you need to help support you.*
